The Better Contractors Bureau's FALL Home Fair Expo home show is the premier of all mall shows in the area. It enables potential customer to come to one place to get ideas for their future remodeling, new home building, home buying, & decorating plans while shopping or going to a movie.

"If you want to promote your product or service before the public and get plenty of leads, this is the show for you! You won't have to get into other shows that spend little on promoting their shows or charge excessive booth prices! Where attendees have to pay excessive fees for admission and parking to the show!"

Call the office NOW to find out what booths are available, as the show will be a sell out!

"Face to face contact with potential customers is the best way to make a sale". So don't delay reserve your spot now! The Mall is one of the most popular in the area and has constant traffic!
